

# Working Together to Promote Open Access Policy Alignment in Europe

## Workshop Programme

2-3 December 2014

Birkbeck College, London

### Workshop Objectives:

- To support the development of supportive and productive relationships between Member States (MS) experts
- To enable compare-and-contrast exercises on the state of readiness in each MS with respect to national policymaking on Open Access (OA)
- To build on the experience of MS on development and implementation of national policies on OA
- To introduce the purpose Knowledge Net and the role of the Key Node organisations
- To establish where the development of further expertise may be necessary to strengthen the effectiveness of the nascent Knowledge Net
- To introduce the engagement programme aimed at policymakers
